Every year RSPCA Lincolnshire Mid and Lincoln cares for around 600 animals that may have been abused, neglected or abandoned. We need your help to continue to look after and rehabilitate these animals before we can find them loving new homes.

Support abused, abandoned or neglected animals

What is Safe haven?

You can sponsor a dog kennel, cat pen or rabbit run which provide a safe environment for abused, abandoned or mistreated animals. With Safe Haven you won't be helping just one animal, you'll be sponsoring the lives of all who pass through our animal centre every year.

What will my sponsorship go towards?

Your sponsorship will go towards the animals' care, rehabilitation and medical treatment. While they are in our care we give them a safe haven – we make sure they feel loved and secure by caring for their physical needs as well as giving them regular exercise and company.

Our Safe Haven thank you We will reward your kindness by:

- displaying your name on our Safe Haven page on our website
- sending you a newsletter
- giving you a unique Safe Haven certificate
- sending you VIP invitations to open days and events.

How do I sign up?

By sponsoring a dog kennel, cat pen or rabbit run, you will be helping the lives of not just one animal but the many animals that spend time with us. Signing up is easy, whether you want to do it for yourself, as a gift for a friend or in memory of a loved one. All you need to do is complete this form – it will only take you two minutes to complete, but your support will have an impact for many years to come.

»» We rely on donations and without your generosity we simply wouldn't be able to provide the support the animals need.

CARING FOR LOCAL ANIMALS

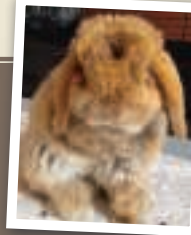

In the life of...

Tango

Tango was dumped at a vet surgery by a woman who said he was aggressive.

Vets examined Tango and found he was covered in a sticky substance, very underweight, had a nasty respiratory infection and a broken leg, which was so badly damaged it had to be removed. He showed no signs of aggression. Tango started to recover while in foster care, but then developed a nasty urine infection and had to go back to the vet surgery. He was losing weight and we thought he may lose his fight for survival, but he fought back and pulled through. He quickly found a new loving home and is still a successful digger with just one front leg! Without donations we could not have saved this bunny's life. Could you help one of our animals in need?

Yes, I'd like to become a Safe Haven sponsor
